

# TO A VERY IMPORTANT PERSON

Date: 12<sup>th</sup>/June/2024

Dear Sir/Madam,

**We the Teenage Moms and Pregnant Girls** of Mega Vision Association greet You Sir/Madam.

Ever wondered why teenage girls who get pregnant are discriminated against while the men who get them pregnant don't suffer the same consequences.

As one of our strongest supporters you have already demonstrated how much you care about these high-risk and vulnerable girls and how important it is to get them help so they do not end up on the street.

After our many talk shows and social media handles, we expected to hear from you because we have been and we still address the fact that a child shouldn't have to take care of another child alone.

Perhaps what our handles and programs do not express enough is, how vital you are as our supporter. We cannot do it without you.

In your distinguished capacity, your support will allow us to put our needs and babies' above all else.

Thank you in advance.

Yours sincerely,

As Teen Mum, we need : Diapers, Milk, Clothes, Medication, Education and other essentials of life. However, Mega Vision's financial capacity can't continue with this support forever, because pregnant girls and teen moms keep on joining Mega Vision, therefore;

**We are trying to use arts and creativity to transform lives, convey awareness messages to fellow teenagers about the dangers of becoming a teenage mom. Young fathers are not left out in this struggle!**

In the long term, this will also help us earn something to help our children, some of us want to go back to school and also help others in the same situations.

***Please feel free to pay us a visit you are most welcome***

Your donation will ensure that every Teen Mom currently in Mega Vision and after, have the necessary skills and confidence to succeed both as a nurturing mother and an individual who has need provided the chance to achieve her full potential.
